Re: Sunset View Planned Unit Development

Subj.: Notice of Intent to Establish Lead Agency – Town of Chautauqua – SEQR

To Whom It May Concern,

The Town of Chautauqua received a Planned Unit Development application for a project located on the northeast side of Chautauqua Lake. The project is located off NYS Route 430 in the former location of the Chautauqua Point Golf Course. The Town of Chautauqua is intending to assume the role of lead agency for SEQR review and considers you an interested or involved agency. The project developer has prepared a Full FEAF SEQR form as well as supporting documentation attached to this letter. The project has been classified as a “Type 1” per 6 NYCRR part 617.4.

The proposed project consists of the redevelopment of the Project Site into a mixed-use project consisting of commercial and community space, including apartments and residential uses including single-family homes, attached townhomes, and condominium units. The total residential density is 194 units. The project also includes on-site recreational amenities, permanent open space and all proposed site improvements.

Involved Agencies must agree on the Lead Agency designation by April 7, 2025 (30 days from the date of this letter). **Please complete and return the attached Lead Agency Consent Form by April 7, 2025.** If you disagree with the designation of the Town of Chautauqua Town Board as Lead Agency, or have any comments regarding the project, please contact Andrew Meyerhofer at ameyerhofer@squareeng.com by April 7, 2025.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Meyerhofer".

Andrew Meyerhofer, P.E.

- Project is consistent with the intent and purpose of Planned Unit Development (“PUD”) District as set forth in Section 143-19 of the Zoning Code.
- Pursuant to Section 143-209 of the Zoning Code, the process and procedure for obtaining a special use permit to establish and construct a PUD is a 3-step process as follows:
 - (1) Approval of the concept by the Town Board after receipt of the report and recommendation of the Committee on Concept Approval, a committee comprised of members of the Town Board and the Zoning Board of Appeals pursuant to Section 143-22A of the Zoning Code;
 - **(2) Approval of the Preliminary Plan by the Zoning Board of Appeals pursuant to Section 143-22B of the Zoning Code; and**
 - (3) Following a public hearing on the Application, final approval by the Town Board of Special Use Permit pursuant to Section 143-23 of the Zoning Code
- Project requires a coordinated environmental review pursuant to the State Environmental Quality Review Act (“SEQRA”) – Amended Part 1 of the Full Environmental Assessment Form dated February 24, 2025

Section 143-22 of the Zoning Code is titled “Concept plan and approval; preliminary PUD plan” and sets forth the requirements for a written description of the proposed PUD project. More specifically, Section 143-22A(3) of the Zoning Code sets for the eleven (11) categories of required information to be included in the written description of the proposed PUD project, each is which is listed below in bold followed by the Project Sponsor’s responses.

- (a) Present use of the parcel, including buildings and structures thereon.
- (b) A description of the character of the proposed PUD and the number of density units proposed to be built, the general layout and location and the type of ownership that shall apply to the respective density units and the total area to be covered by the density units.
- (c) A description of land surrounding the proposed PUD District and evidence that the proposal is compatible with the Town's comprehensive planning goal
- (d) A description of the estimated costs of completing the entire project and indication as to how the applicant plans to finance the costs.

- (e) A description of the municipal services to be requested or that are required of the Town and the estimated municipal costs to provide the same.
- (f) General statements as to how common open space is to be owned and maintained.
- (g) A proposed timetable for development and, if a staged development, a general indication of how the staging is planned.
- (h) The present ownership of all lands included within the proposed PUD area.
- (i) A statement as to the vehicular traffic impact, both within the district and to surrounding areas, and the basis upon which the statement is predicated [Passero Associates is preparing an updated Traffic Impact Report].
- (j) Any evidence that tends to demonstrate the applicant's ability to carry out the plan, both physically and financially.
- (k) A general description of recreation facilities, open spaces, privacy hedges, landscaping and other aesthetic amenities to be included in the project to justify the applicant's request for issuance of a PUD special use permit.
